## 9.2.    Examples of Pictographic loading rules for packed

| Text | Cartoon |
|---|---|
| At the loading location: switch off the engine.<br>Pull the hand-brake.<br>Open trailer completely on one side.<br>Only use the movable stairs provided by Site, in locked position.<br><br> | <br><br>Stay visibly in the cabine or on the green marked spot whenever a fork lift truck is within 5 metres from the lorry/trailer. |

## 9.3.    Examples of Pictographic loading rules for Bulk Solids

| Text | Cartoon |
|---|---|
| Only open 1 filling hatch at the time. In order to prevent contamination, close the hatch immediately after filling.<br><br> | <br><br>To step on the container, use the ladder that is provided and return it to the designated place after use. |
| All work on the container must only take place in the bulk lane. |  |
